ONE OF OUR MANY EVERGREEN FIELDS DESIGNED FOR CONVENIENT SELECTION

PLANT WITH A PLAN

We are here to serve you. During the week you will find competent salesmen at the nursery sales yard to help you select the proper plant material to fill your landscaping needs. Feel free to ask us for ideas in using plants to the best advantage around your home. Bring along a snapshot or some dimensions of your home so that we might help you in getting the proper spacing and layout of the plant material.

GOOD LANDSCAPING IS GOOD BUSINESS

Every dollar invested in good nursery stock will increase the value of a property at least six times the cost of the trees and plants you purchase, and bring an added intangible value to your home life that cannot be measured in dollars and cents.

OFFER
YOU MORE

The Charles Klehm & Son Nursery offer you Complete "ONE-STOP" service. You'll find everything you may need conveniently displayed and organized to help you make your selections.

Our two spacious parking lots are located for your convenience and safety. Drive right in and visit our nursery.

Our experienced sales force will personally direct you in your purchase . . . even guide you in making the most suitable selection for your particular needs.

From Cut Flowers to Shade Trees, Charles Klehm & Son offer you more.

GRASS SEEDS

If you desire a lawn that combines the maximum of beauty and economy with a minimum of care we recommend our own Klehm's Excel mixture. The seed in this blend is chosen for its quality and performance in this area. Along with being dealers in Scott's and Vaughan's products, we have the following grass seeds in bulk: Merion and Kentucky Blue, Merion Blue Formula, Perennial Rye, Red Top, Creeping and Chewing Fescues, Annual Rye, Bent Grass, Poa Trivialis and Alta Fescue.

GARDEN SUPPLY SHOP

Your every need in garden supplies can be satisfied with an occasional visit to our complete garden supply shop. Whenever possible, we enjoy helping you select the proper chemical to do the most efficient job of eliminating the pests in your garden. Along with being dealers for Scotts, Vaughan, DuPont, Ortho and Armour, we also carry the newest improvements in chemicals by some of the other leading companies.

ANNUALS

Annuals will give you continuous bloom and color from early summer until heavy frost sets in. Through the months of May and June you will find in our sales yard large and complete displays of healthy and vigorous annuals.

GIFTS and POTTERY

For your convenience, our pottery and gift sales room has recently been enlarged. Unusual items, planters, vases, ceramic ware, flower arrangement material and wall accessories are on display. Come in and browse.

CUT FLOWERS

We have fresh cut flowers in season from May until September. We especially feature peonies, gladiolus and lilacs grown in our fields.

ALL-WEATHER PROTECTION WITH ALUMIN-ALL

ALUMIN-ALL is an all-weather protection made with Reynolds Aluminum, Goodyear, Pliolite, and containing long-haired asbestos. It is an indestructible rubber coating, which when applied to any surface regardless of its construction, such as concrete, masonry, cinder block, stone, metal, wood, asbestos, etc., whether it be exterior or interior, whether it be above the ground or below the ground; once applied and allowed to dry, will completely waterproof, weatherproof and insulate any type of building.

Specimen Evergreens

HARDY NORTHERN GROWN

Plant our specimen evergreens for year-around landscaping effect and beauty. Evergreens soften building lines most effectively. We have selected the best varieties suited for growing in this section of the country. Visit us and see the wide selection of freshly dug beautiful hardy evergreens. Planting season extends from the latter part of March through April, May and June and again in September, October and November.

POTTED ROSES—Plant our Potted Roses for an outstanding all summer flower display. We are especially proud of the quality and performance of our potted roses. By potting these plants in an extra large container early in February, we encourage root action before the top begins to grow thus insuring success. These are hardened off and ready to plant after 20th of April. Packaged Roses for early planting March 15 to April 20.
